

# The VADA Education Foundation 2007 Scholarship Year

## Testing Instructions

The VADA Education Foundation is requiring all applicants to take the following assessments to be considered for the Automotive Technician Scholarship:

- ACCUPLACER Tests:
  - Reading Comprehension
  - Sentence Skills
  - Arithmetic
  - Elementary Algebra
  
- 2 AYES Placement Tests
  - Engine Performance
  - Other:

**PLEASE NOTE: It is mandatory that only the above tests be used so that all scholarship applicants are compared equally.**

### ACCUPLACER Tests:

**The Foundation of WATDA has purchased the ACCUPLACER tests for your use in testing our scholarship applicants.**

- Go to the ACCUPLACER website at: [accuplacer.com](http://accuplacer.com)
- Click on the image
- Enter ID#: 45851
- Password: ayes (The ACCUPLACER password is case sensitive. Make sure you enter the password *ayes* in lowercase letters.)
- Log in
- Click on Administer Tests
- Select Branching Profile: VADA.pro
- Test Level: Does not matter - there is no difference in the tests
- Continue
- Continue
- Enter Student Information (Any number can be entered for the student ID#)
- Continue

- ◆ ACCUPLACER is not designed for calculator use. They are in the process of redesigning the program so that it will have a pop-up calculator for questions requiring it. But until then, **calculators are not allowed.**
- ◆ ACCUPLACER Tech Support number is 800-486-8497. Select (2) for on-line testing, then (2) for tech support. Their hours are Monday-Thursday 8:00 am - 11:00 pm EST, Friday 8:00 am - 8:00 pm EST and Saturday 9:00 am - 5:00 pm EST.
- ◆ If you are not familiar with the ACCUPLACER program, let me know and I can send you a short PowerPoint presentation that will walk you through how to use the program.

You can print the student's scores for them and results will be sent electronically to me automatically.

Let me know if you have any further questions and thanks again for assisting us with this process.

**THANK YOU!**
