Pat McFarland's Story:

Hi – I'm Pat McFarland I am a college teacher, a wife, a mother of four wonderful, young adults and an Aunt, my nephews actually call me Auntie Granola (ever since I hosted Thanksgiving and cooked a tofu turkey)... Well, I guess you could say I am one of those baby boomers, I love doing yoga and taking long nature walks. I am really passionate about taking care of mother earth and I always try to be considerate and conscientious of others

So when I went looking for a new car, I wanted the most energy efficient vehicle possible and a dealer who provided customer Service with a conscience, if you know what I mean. Someone I could trust to do the right thing. And that's exactly what I got at Andrew Toyota. I just sold my first Toyota Prius to my daughter and purchased my second one from Andrew Toyota. It's bright red and I love it.. Well, I may be a little over thirty, but you can trust me. and Andrew Toyota too.

Peace & Harmony,
Pat
