Harry Moulopoulos' Story:

Hi – I'm Harry Moulopoulos, I am a husband and a father of four teenagers (Marissa, Harry Jr, Jennifer and Aristotle) and they're all involved in lots of school activities, sports (mostly soccer and golf) and of course, social activities... So there is never a dull moment at the Moloupoulos home... And with five drivers in the house, we are always balancing schedules, budgets, family harmony and who gets what car...

So when we all went looking for a new family vehicle, we all wanted something different...of course, the kids wanted a really cool car, my wife wanted convenient and caring customer service, and I needed to get a great price... Sounds like mission impossible, but I knew exactly where to go, Andrew Chevrolet... I had purchased 5 other vehicles there and each time they got me everything I asked for, and that's exactly what they did again for the sixth time. I guess you can say it's just another day in paradise...

Keep living the dream,
Harry
