Olivia Buenostro Soto's Story:

Hi – I'm Olivia Buenostro Soto... I am a mother and a flamenco dancer, I love to dance flamenco, I am also a dedicated educator. For almost 20 years I have worked for Milwaukee Public Schools... I am really passionate about counseling children and helping them fulfill their potential and really make the most of their lives. I tell them Knowledge is Power... And with the knowledge that comes from a good education and lots of hard work, I always tell them that uthey can do anything they set their mind to...

So when I went looking for a vehicle, I was looking for a knowledgeable car dealer who was passionate about customer service and who was going to thoroughly and respectfully answer all my questions. I wanted it all, dedicated service, great savings and a stylish vehicle. And the first time I walked into Andrew, I knew I was in the right place when I received a friendly, respectful greeting and great customer care the rest of the way. I have now purchased three vehicles from Andrew and if I was grading the Andrew experience I would give them an A+

Saludos,
Olivia
