COMPETITIVE COMPARISON

THE COMPETITIVE LANDSCAPE

Since Borrego is an all-new model, yearly sales data is not yet available. However, it enters the highly competitive mid-size SUV segment that is defended by the likes of the Toyota 4Runner, Nissan Pathfinder, Ford Explorer and Jeep Grand Cherokee – all of which have been rooted in the segment for quite some time. Standing out from this crowd requires an impressive mix of performance, styling, plush amenities, advanced technology, safety features and reliability. The all-new 2009 Kia Borrego certainly serves up a winning combination.
