**Charity Beneficiary:** Southern Arizona AIDS Foundation (SAAF)

### Description of Event:

**Mark your calendars for October 14<sup>th</sup>** as Tucson celebrates our 19<sup>th</sup> Annual AIDSWALK benefiting prevention programs and client services of the Southern Arizona AIDS Foundation (SAAF). Last year's location for the event was moved to the University of Arizona Campus- it was such a success that we're heading back to the central mall on the University of Arizona Campus for our annual 5K Walk and 10K Fun Run.

For the past 18 years, the Tucson community has supported the important work and mission of SAAF through participation at AIDSWALK Tucson by walking with thousands of friends, families, and community members who are walking in **support** of those living with or affected by HIV/AIDS, in support of SAAF's education and **prevention** programs offered to the community to reduce the rate of infection locally, and in support of those we **remember** and honor at AIDSWALK. Thank you for your commitment to action by sending a powerful statement to the community that HIV/AIDS affects us all. Our community makes a difference- and you help make that happen!

Once again this year's event will be hosting a variety of fun and memorable activities in addition to the walk and run including a kid friendly play area, great food, a live mini concert following the walk, a beautiful quilt opening ceremony with quilt panels on display from the Names Project Foundation, an Interfaith service, and much more.

You may visit us online for more info at [www.aidswalktucson.com](http://www.aidswalktucson.com) or call **791-WALK (9255)**. Proceeds benefit the programs and services of SAAF.
