PermaPlate Leatherguard®

Ultimate Leather & Vinyl Protection Against:

- *DRYING AND THE LOSS OF SOFT, SUPPLE TEXTURE*
- *FADING, DISCOLORATION, AND STAINING*
- *PREMATURE AGING AND CRACKING OF SEATS, DASHBOARDS, AND INTERIOR TRIM*

Sun, excessive dryness and temperature extremes are three demons that will swiftly decrease the value of your vehicle's interior. Leatherguard is the most powerful leather and vinyl protector on the market. Professionally applied by your dealer, Leatherguard's ultraviolet sunscreens and penetrating conditioners fight drying, fading, and discoloration on leather or vinyl seats, dashboards and interior trim. With Leatherguard, your vehicle's value will remain solid while its leather and vinyl features stay soft and supple
