

Why use Milton Martin Toyota Collision Center?

A few reasons to make Milton Martin Collision Center the body shop of your choice:

FREE ESTIMATES

LOCALLY OWNED AND OPERATED

We are not part of a large, impersonal chain.

PERSONAL SERVICE

Small enough to provide personal service—large enough to have trained technicians and all the equipment needed to do collision repair correctly.

STATE OF THE ART TECHNOLOGY

State-of-the-art laser measuring system for repairing frames and unitized bodies.

COMPUTERIZED PAINT MATCHING

For the most accurate paint matching, we enter the paint code from your vehicle into our computerized paint mixing system to match the original factory color.

QUALITY GLASS REPLACEMENT

We replace windshield and windows using high quality auto glass at affordable prices.

LIMITED LIFETIME WARRANTY

Our work is covered by a Limited Lifetime Warranty. For details, please see a copy of the warranty in our office.

RENTAL CARS

We can arrange a rental car for you to use at attractive rates while your vehicle is in our shop. (In many cases, the cost of the rental car may be covered by the insurance carrier. Call for more information.) We can also arrange for towing

IT'S YOUR CHOICE

You have a choice as to which shop will repair your vehicle. If your insurance company sends you to another body shop for an estimate, take your vehicle there to get the estimate, and then bring the estimate to us. We will work directly with their estimate. If you have an estimate from an insurance adjuster, bring that to us as well. Remember, you choose the body shop to repair your vehicle—not the insurance company.

NO APPOINTMENT NECESSARY

While no appointment is necessary, you may want to make an appointment for your convenience. Just call us or fill out the online appointment form. To avoid being without your vehicle over the weekend, it may be convenient to bring it in on Monday morning. The vast majority of vehicles will be completed and returned to you before Friday afternoon (the exception being those with major collision damage).

AFTER HOURS - If you cannot stop by during our normal business hours, please call to arrange for a special appointment. Remember, you can always use our after-hours drop box. Simply fill out the form in the drop box, place it and your keys in an envelope, and drop them in our drop box.
