

# THE ST. CROIX EDITION <sup>FALL</sup> '06

## NEW VEHICLE SPOTLIGHT

### All New 2007 Jeep Compass!

The all new Jeep Compass provides the package and utility of an SUV with the performance, handling, fuel economy and price of a small car or pickup. Sporty and smart, it combines all these practical reasons to buy with the fun, freedom and reliability that define the Jeep brand. Compass is a break from the ordinary. It's unexpected, contemporary styling is backed up with the safety and security, strength and dependability consumers have learned to expect from a Jeep vehicle.

Visit Stillwater Motors now for your first look at the All New Jeep Compass.

### Some of the many standard and available features on the Compass include:

- Electronic Stability Program
- UltraFloor™ (removable and washable cargo area floor)
- Auxiliary jack for your MP3 player
- New 2.4L World Engine
- Exceptional fuel economy
- Swing down liftgate speakers

## SALES AT STILLWATER MOTORS JUST GOT A WHOLE LOT BETTER!

### New Showroom Opens

“No matter what programs or incentives are available Stillwater Motors will always give you the best price possible.” Phase two of our three phase expansion is finished, now you can enjoy buying your car in our new showroom. The Sales staff moved into the new showroom August 1st. The new showroom, formally the service department, is larger than the old showroom and will double in size with the completion of phase three in January of next year. At completion of phase three the showroom can accommodate up to fifteen vehicles.

New furniture and a fresh coat of paint are not the only changes to the sales department. We now have an indoor delivery area to prevent both the customer and the salesperson from having to go into the sweltering heat or the bitter cold. We also have a large community room that will be used for many of the events we host at the dealership.

If you haven't been to the dealership to see either the service addition or the sales expansion please visit us soon. We are expanding to serve you better!

Photos of the new showroom, in progress, taken in early July. Top: The outside of the new showroom. Middle: Taken from the showfloor looking at the delivery area and community room. Bottom: Large windows in the showroom. Left: Map of the newly expanded dealership.

**Last Summer Car Shows! Corvette Show: August 19th & Buick Show: September 16th**

## DIAMOND-FUSION

Stillwater Motors is proud to offer NEW Diamond-Fusion. This award winning product molecularly fuses with glass creating a new chemical bond that enhances visibility in bad weather and strengthens glass weight load by up to ten times. Some of the advantages of this Diamond-Fusion technology are: Reduces nighttime glare, Makes snow and ice easy to remove, Improves clarity and visibility to extend driver reaction time, Enables glass to resist costly chips, cracks and scratches, Water runs off instantly. After trying it out on his Chevy Suburban, President Daniel "DJ" Raduenz said, "I won't drive a vehicle without Diamond-Fusion on it." Contact the Body Shop for details on this revolutionary product.

Don't forget that Stillwater Motors also offers:

- 36 Dedicated Service Bays means NO Service Appointment necessary any day of the week, including Saturdays
- Saturday Parts and Service from 8am-4pm
- Competitively Priced Services
- Indoor Drop-Off Area
- Quick lube Oil Changes
- Full Line of Factory Accessories
- Complete Car and Truck Details
- Free Local Shuttle Service and Rentals as Needed
- State of the art four wheel alignment machine

## EMPLOYEE SPOTLIGHT

### Used Car Manager – John Thuringer

John Thuringer comes to Stillwater Motors with 15 years experience in the car business. In the past John has worked as a Salesperson, Finance Manager, New Car Manager and Used Car Manager. We are very glad to have John and all of his experience as a member of our growing sales team. John has a real passion for cars which is evident in his immaculate 1967 Chevrolet Camaro. He and his wife are building a house in Prescott where they will live with their two Giant Schnauzers.

### Service Advisor – Wendy Rader

Wendy started at Stillwater Motors in April of this year. She has been working in the automotive business for 18 years and the last 10 as a service consultant. Her favorite part of the job is helping customers with their automotive needs and concerns and developing long term relationships with them. Wendy stays very busy both at work and at home. She has four children and three grandchildren. Wendy also enjoys Golf, Volleyball and riding her motorcycle. We are very happy have Wendy working here at Stillwater Motors.
